

Keeping the Faith

From the CD "VOICES FOR ISRAEL: Keeping the Faith"

VERSE 1

Trusting hands placed a baby
Into a basket to float it away
Watchful eyes kept a lookout
Hearts so pure that dared to be
brave

Faced with a choice no soul should
bear
They found the strength to keep
hoping
And every day we carry on in their
name
This circle of faith can't be broken

CHORUS

B'not Yisrael, daughters of Israel
We're keeping the faith
Anachnu shomrot al ha'emuna
We're keeping the faith
Keeping the faith

VERSE 2

Silence fills the air this morning
The sound of peace, at least for today
Innocent children asking their
mothers
"When can I go out and play?"

Filled with the promise that each new
day brings
Our hearts and our doors remain
open
Hand in hand we stand in the light
This circle of faith can't be broken

CHORUS

BRIDGE

Elokei Sarah, Rivka, Leah, Rachel
Dinah, Yocheved, Miriam
Elokei Chana, Yael, Tzipora
Rut, Esther, Devora

VERSE 3

Filled with the promise that each new
day brings
We will leave no prayer unspoken
And peace will fill our world again
This circle of faith can't be broken

CHORUS

B'not Yisrael, daughters of Israel
We're keeping the faith
Anachnu shomrot al ha'emuna
We're keeping the faith
Keeping the faith

Keeping the faith...
